

## The Results of International Children's AMABIE Illustration Contest

September 30, 2020

International Children's AMABIE Illustration Contest received 405 drawings from all over the world, such as Japan, Taiwan, China, and Australia.

In the middle of September, we had the final selection with a Manga artist Kenichi Muraeda, as the chief of judge, and selected following winners. Congratulations!

All 405 drawings will be on public display at a commercial facility in Kumamoto City "SAKURA MACHI Kumamoto". The details will be announced on our website later.

We will contact the winners for Grand Prize and First Prizes by e-mail.

We will send the prizes for other winners by around the end of November, so please look forward to the arrival of the prizes.

Thank you very much for participating in the contest!
