

chanoyu  
茶の湯

Hot water is used when making tea,therefore the term"chanoyu" (water of tea) was originated.  
The host serve tea to the guest and at the moment they reach out to each other and treasure " Ichigo ichie"meaning "every meeting" This is the principle of Chanoyu.

water in public baths  
銭湯の湯

In Kamakura&Muromachi peorid,in wealthy families, the host invites the guest and have him take a bath .After the bath,they have pleasant moment at Chanoyu or drinking party.The purpose of this is not only purifying his body but also relaxing him and enjoying friendly talk.
